# TWILIGHT DETECTIVE AGENCY

EEEEEE YEAH!

You've all been perfectly LOVELY.

Thank you and good night!

That was awesome.

It certainly didn't suck. In a very *British* way.

*Gah.*  
My ears are ringing. This must be how Peter Townsend experiences the world.

Did you see his pants? They were tighter on him than they were on the COW.

And that accent! What /S/ is about Bribes?

I never noticed you crotch-watching MAGPIE.

Something about profound disdain...

...coupled with centuries of class struggles.

That's not your ears. That's an alarm.
