

GLOAMING

EVERY TOWN HAS SECRETS.
ONE HAS TOO MANY.

Welcome to
GLOAMING
A Nice Place To Visit

TEEN ROCK STAR MISSING
Where is Tommy Jordan?

WELCOME to GLOAMING “A Nice Place to Visit”

Gloaming. A nice, peaceful little town that you can't find unless you're lost and seeking the truth. Come and visit, and plan to stay-- because once you've found yourself in Gloaming...

...you can never leave.

Doug Carter is a journalist on the trail of a missing person-- a boy rock star named Tommy Jordan. Only the internationally- famous Tommy isn't exactly “missing” -- he never existed.

Or so everyone has told Carter.

Determined to prove that the months he spent following the career of this boy, the notes, the interviews, the photographs are all real and not products of his imagination, Carter follows Tommy's trail to a town called Gloaming and finds more than he bargained for.

GLOAMING is brought to you from the minds of:

Michael McAdam - Story, Script, and Letters
Kyle Burles - Story, Art, and Colours

My name is Doug Carter.
I wrote a book, once.

I followed a kid rock
star around: Tommy
Jordan was his name.
Child prodigy. Really
talented.

I was gonna tell his story to the world.

But on the day I went to
publish the book, my
editor laughed at me.

"There's no such kid," he said.

I thought he was joking, but
I checked: There was no
record of this kid Tommy
Jordan ever having existed.

A kid I met.
A kid whose
life I followed
for months.

So I've come to his
hometown to see if
I can find any clues
to his whereabouts.

People might vanish,
but they don't just
wink out of existence.

I know he was real.
I'm not crazy.

I'm **NOT**.

I looked through all my notes. I hate computers and phones that are smarter than me. I prefer my own handwriting, on *real* paper.

Paper can't just *vanish* like electronic stuff can. It's right in front of you. Paper's *REAL*.

Like I used to believe *PEOPLE* were.

I decided to check out the school that Tommy supposedly went to. It was a state-run school and orphanage back in the day; but I heard it was closed now. No official record as to *why*.

It seems a lot of things don't have 'official records' these days. Does it all tie in with Tommy Jordan's vanishing act?

Only one way to find out.

Creepy. How long has this place been here, anyway?
