The Cleveland Dam on the Capilano River. North Vancouver, British Columbia.

CANADA.

Today, the dam is besieged. A crowd has gathered...

...because of this man.

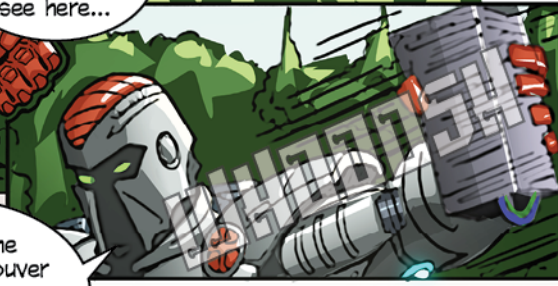

Good morning. I am the Templar.

It is my intention to destroy this dam...

...by detonating the charges you see here...

...unless the City of Vancouver is prepared to pay me the sum of one million dollars!AAAAAH!!

Uh...

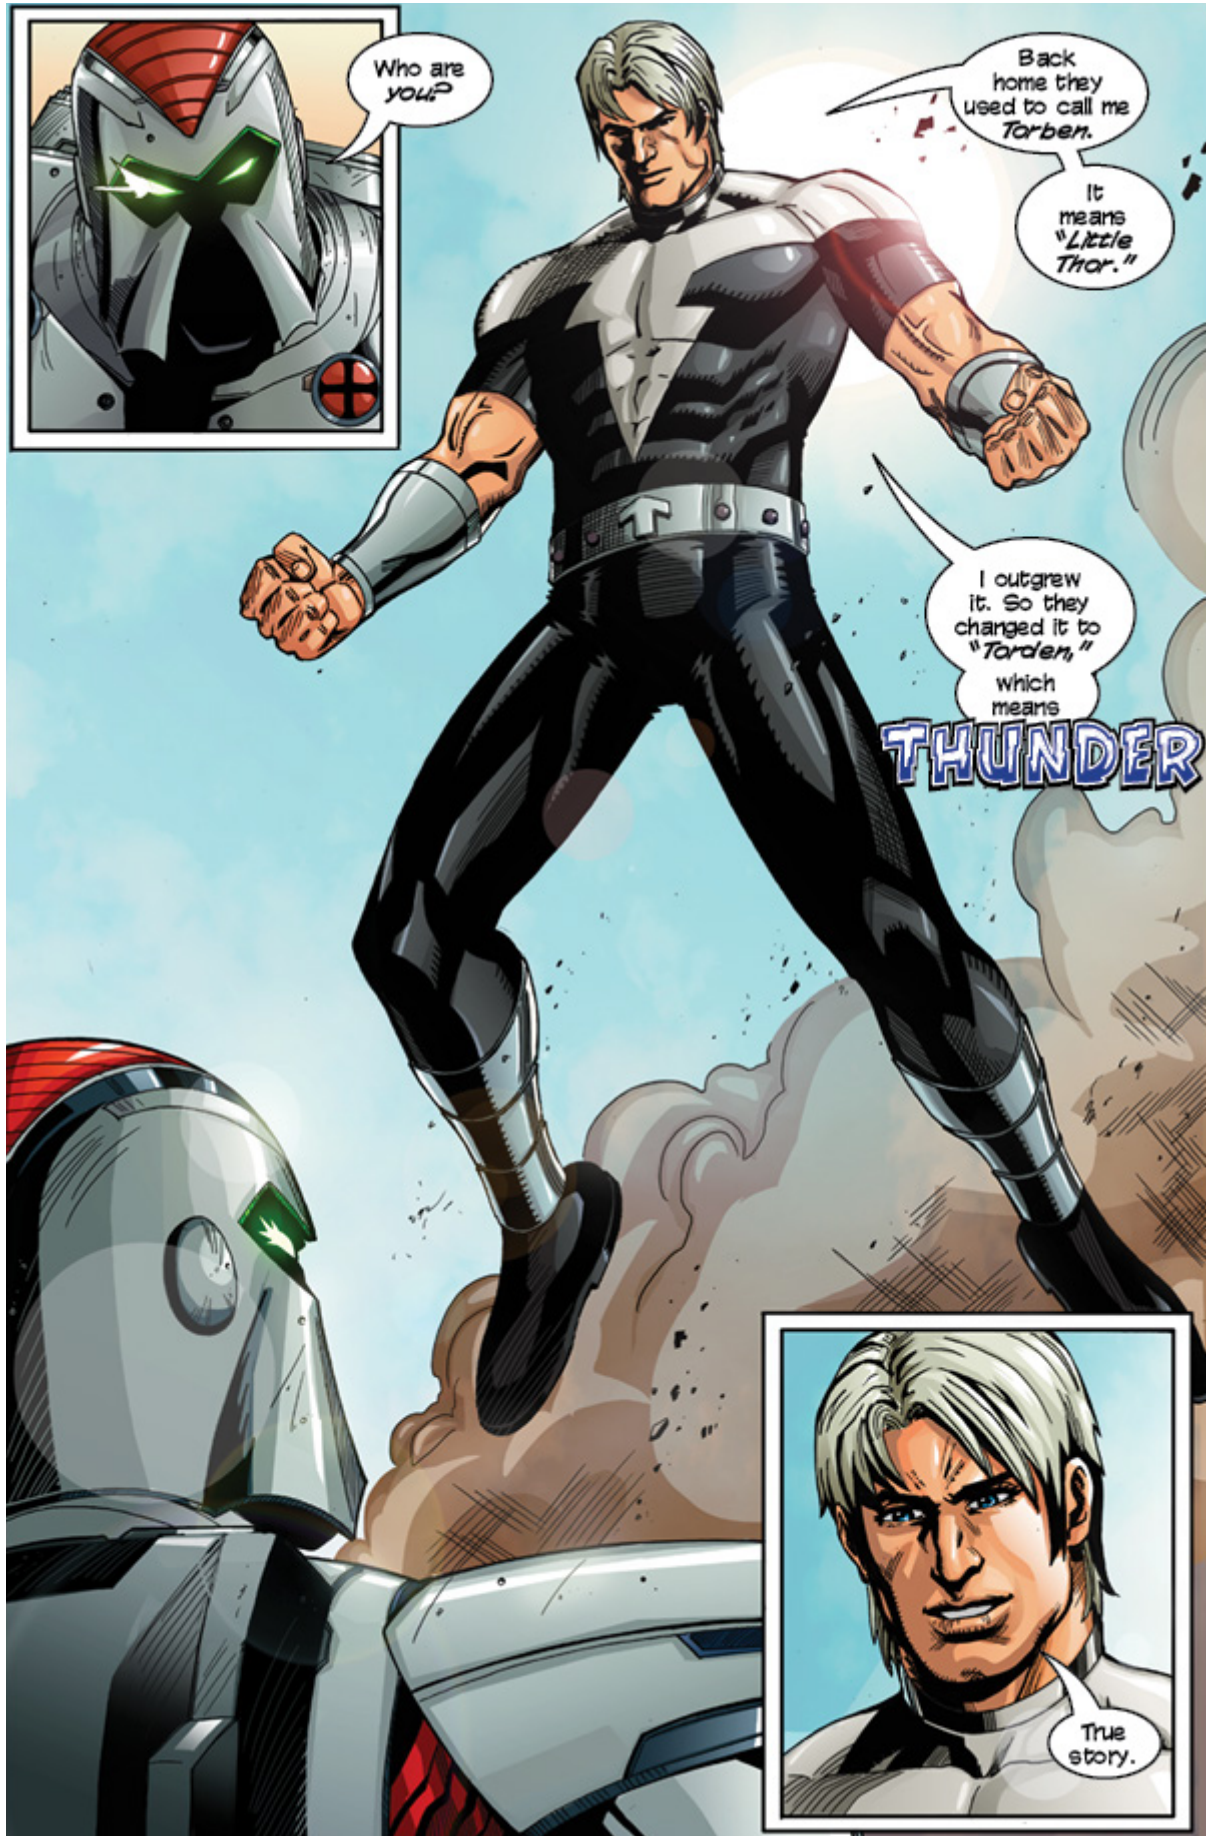

...WHAT?!?

Who are  
*you?*

Back  
home they  
used to call me  
*Torden.*

It  
means  
*"Little  
Thor."*

I outgrew  
it. So they  
changed it to  
*"Torden,"*  
which  
means

**THUNDER**

True  
story.
