HALF NORSE GOD. **HALF CANADIAN.** SUPER POLITE.

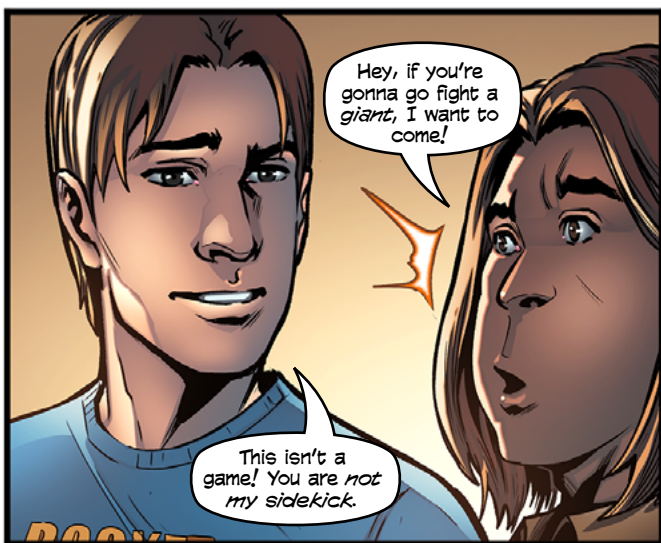

MICHAEL MCADAM • MARK MARVIDA • MARVIN MARVIDA

I gotta go. You two, stay here.

"...weather front continues to build. If it hits the mainland, damage is expected to be in the millions, casualties expected..."

Hey, if you're gonna go fight a giant, I want to come!

This isn't a game! You are not my sidekick.

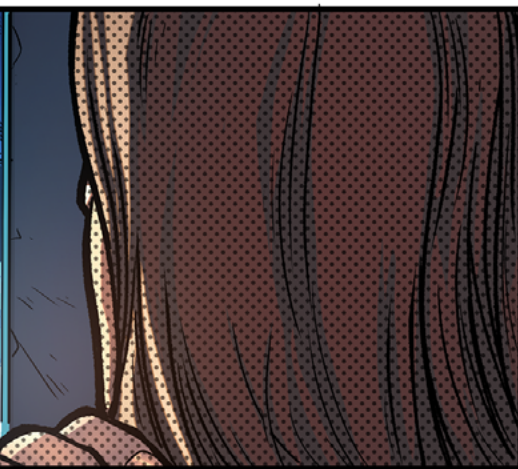

This guy is fresh from trying to kill me-

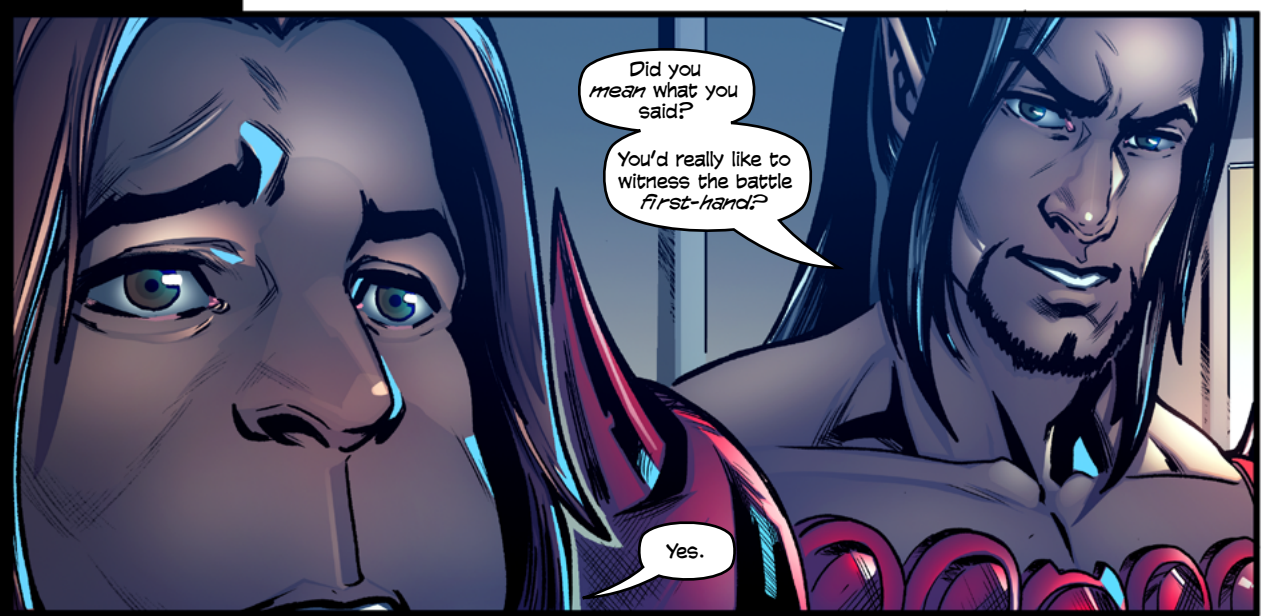

-and now I have a frost giant showing up on my doorstep.

So no, Glenn, NO, you can not come with me. STAY. PUT.

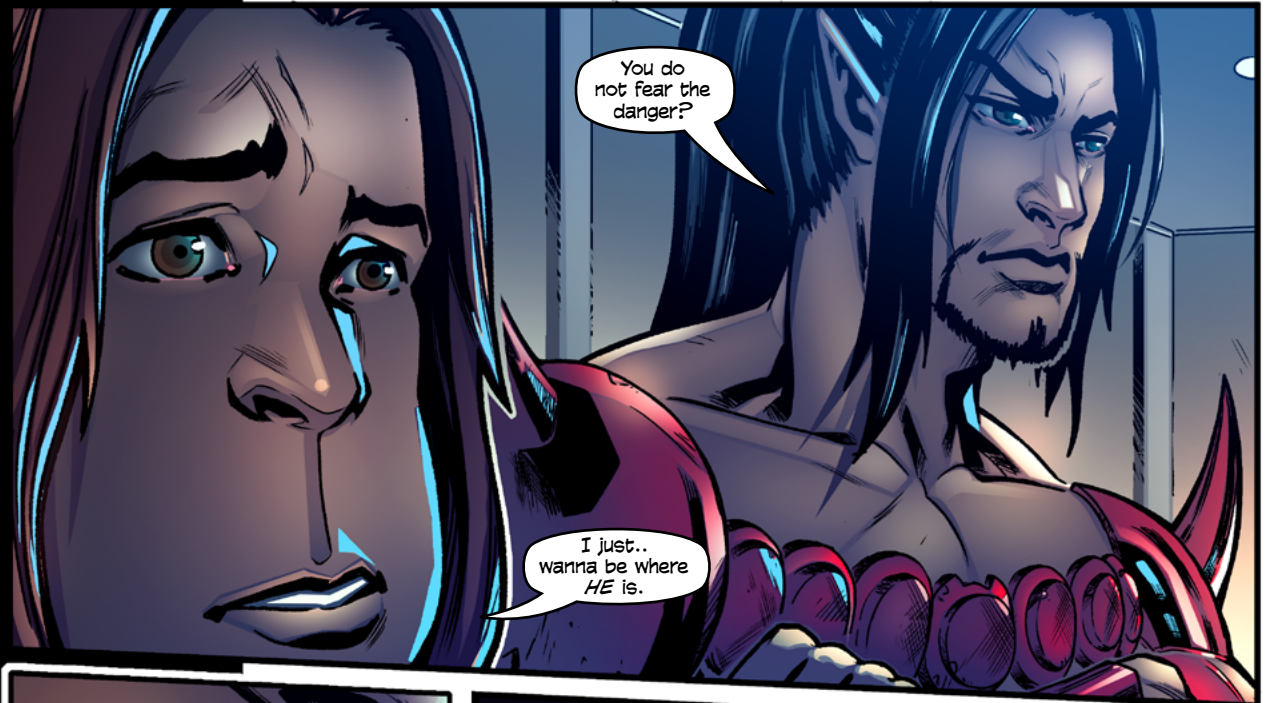

This isn't a goddamned COMIC BOOK.

Did you mean what you said?

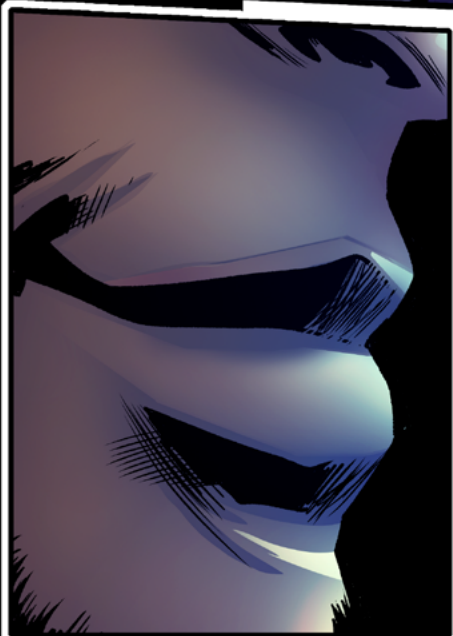

You'd really like to witness the battle first-hand?

Yes.

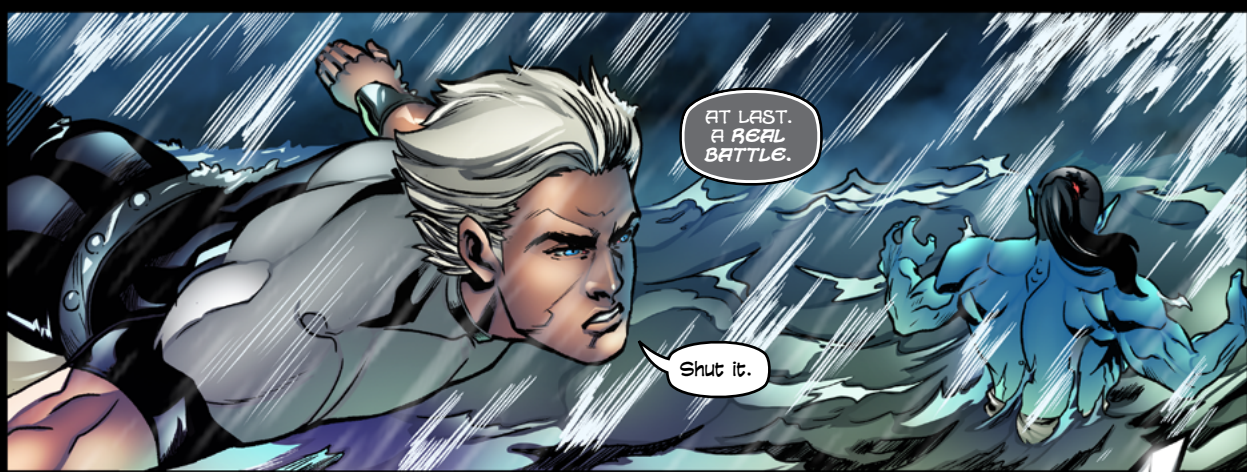

You do not fear the danger?

I just.. wanna be where HE is.

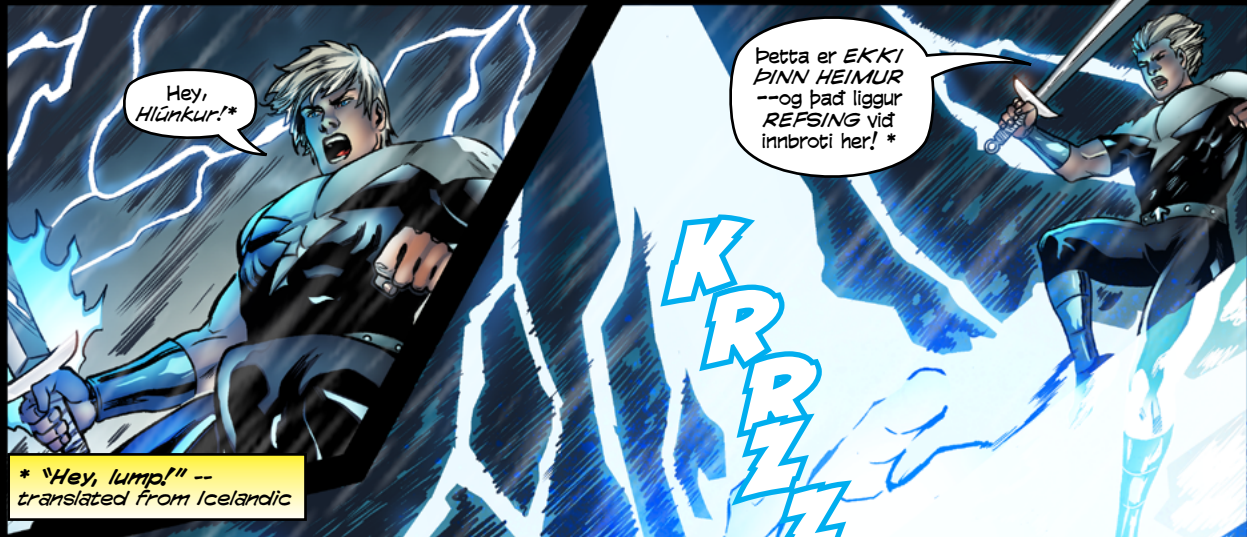

Then come with me.
